

COMMERCIAL LENDER

As a Commercial Lender you will be involved in your community, communicate well, and are customer and service focused. Your primary responsibility is developing and maintaining commercial loan relationships.

JOB DUTIES:

- Relationship management for key commercial, small business, and consumer customers
- Analytical underwriting expertise, credit quality focus, negotiating loan terms
- Knowledge and understanding of regulatory compliance requirements
- Strong community leadership involvement
- Sales energy and focus with sustainable record
- Knowledge of Microsoft Word and Excel

JOB REQUIREMENTS:

- Bachelors Degree in Business Administration/Finance or equivalent of 5+ years experience in banking, commercial and real estate lending
- You have knowledge of a financial institution's loan portfolio administration and banking products and service
- You must be able to pass a credit, background, and reference check

This position demands maturity, flexibility, prior banking experience, and someone ready to contribute at a high level.
